

LA MARIPOSA

LA MARIPOSA

La Mariposa emanated from Beagold Enterprise its parent outfit in 2016. The name, La Mariposa, is Spanish for “the butterfly”; which best describes the concept of a business that is geared towards the beautiful transformation of everybody.

Our business stores are located at:

- (i) Shop 24W, enclosed in the serene ambience on the first floor of the Jericho mall, Kudeti Avenue, Onireke, Ibadan, Oyo State, Nigeria.
- (ii) Raybok Mall, 19 Prince Adelowo Adedeji Street, Lekki Phase I, Lagos.

With a simple, yet elegant design and an open floor layout, the store is brightly lit with nice fixtures that exhibit the La Mariposa colours. We aim to give a sense of youthful exuberance in our products, our locations and our service.

Our products are designed to fit prospective customers of both genders; from the young adults to “young at heart” elders. They are produced in the form of dresses, skirts, pants, tops, shirts, semi-casual and casual outfits. Our style brings to the fore the rich and creative personalities of our customers while maintaining their individuality.

Our products exude confidence in a manner that reflects contemporary customs and traditions while ensuring high quality products at affordable prices.

We work in partnership with versatile fabric merchants, highly creative clothing designers and world class manufacturers, based in Nigeria.

Quality control has always been our top priority throughout the production process and we make no compromises. Our designs are unique and geared towards meeting the taste and satisfaction of our customers. We use the very best fabrics and accessories in all our products and spend long hours from concept to finish; ensuring creativity and uniqueness.

Each design passes through a series of trials involving actual human bodies under various situations. Only when we are completely satisfied do we pass on for final production.

La Mariposa has become the link between clothing designers and the final consumers; we serve as a buyer in the fashion value chain and inspire designers, fabric merchants & clothing manufacturers nationwide.

La Mariposa has become a leading fashion brand for Made in Nigeria clothing.
